

GET TO KNOW YOUR NEW UNIFOR LOCAL 240 YOUNG WORKERS' DELEGATE, MICHELLE BOOTS!

Michelle's objective is to engage young workers aged 35 and under by providing a space to build the confidence and skills necessary to become active in their local union and community. Through meaningful education and social engagement, we will nurture the leaders of tomorrow and ensure that young workers' issues are considered in future bargaining.

Are you aged 35 or under and interested in becoming more involved with your union?

Keep up with fun events & informative activities via any of the following methods:
